

Practice Time Window Configuration

Instructions

Getting Started

1. Open the attached Excel template file.
2. You will see a sheet named "config" with column headers and one example row.
3. Delete the example row and enter your practice information - one row per practice phone number.

Column Guide

Column	What to Enter	Example
phone	Phone number with country code, starting with +	+12143309221
tz	Timezone (select from dropdown)	America/Chicago
max_days	Max days to attempt contact	2
attempts_per_day	Call attempts per day	1
Monday - Sunday	Call windows for each day (see below)	08:00-12:00, 13:00-17:00
alternate_ivr_behavior	TRUE if alternate IVR handling needed, otherwise FALSE	TRUE
alternate_ivr_description	Describe desired IVR behavior (blank if FALSE)	Wait for a live agent.

Entering Time Windows

Time windows define when calls are allowed for each practice. Use 24-hour (military) time format: HH:MM-HH:MM

What you want	What to enter
One window, morning only	08:00-12:00
Two windows, morning and afternoon	08:00-12:00, 13:00-17:00
No calls on this day	(leave the cell blank)

Rules:

- Always use two digits for hours and minutes (e.g. 08:00, not 8:00)
- Hours range from 00 to 23, minutes from 00 to 59
- Separate multiple windows with a comma
- A prompt will appear when you click a day cell as a reminder

24-Hour Time Reference

Standard Time	24-Hour Format
8:00 AM	08:00
12:00 PM	12:00
12:30 PM	12:30
1:00 PM	13:00
5:00 PM	17:00

Available Timezones

Practice Time Window Configuration

Instructions

- America/New_York - Eastern
- America/Chicago - Central
- America/Denver - Mountain
- America/Los_Angeles - Pacific
- America/Phoenix - Arizona (no daylight saving)

Before You Submit

- Every row has a phone number starting with +
- A timezone is selected for each row
- Time windows use 24-hour format (HH:MM-HH:MM)
- Days with no call windows are left blank (not 0 or N/A)
- alternate_ivr_behavior is set to TRUE or FALSE for each row

Saving Your File

Please save the completed file using the following naming format:

YourOrganizationName_YYYY-MM-DD.xlsx

For example: AcmeHealth_2026-05-01.xlsx

Once complete, save the file and return it to us. If you have any questions, please reach out to your account representative.
